25 September 1985

MEMORANDUM FOR: Director of Public Affairs
FROM: Director of Central Intelligence
SUBJECT: Speech on Reagan Doctrine

Have [] try his hand at doing a draft of a talk which I may want to give on taking the moral high ground in implementing the Reagan Doctrine, i.e., supporting anti-communist freedom fighters, exerting diplomatic pressure on totalitarian states as suggested in the attached correspondence from [] and as reflected in [] paper which came to me from the President. Also, look at George Shultz' address before the Commonwealth Club on 22 February 1985.
